Activities, hobbies or other interests: Genealogy, Reading, Sudoku, Family Activities, Yardwork, Volunteering within my church and community

Talents or Skills you would bring to the board:

- Intricately familiar with public utilities and specifically rural water
- Clerical and human resource experience
- Active civic leadership

Where do you see MEC in the future:

- Keeping up with the most advanced safety procedures for all working conditions
- Fostering a positive culture toward renewable energy resources
- Strong community engagement

What interests you most about serving on the MEC Board of Directors:

This board has a unique opportunity to interact with a wide amount of individuals in our area. I would look forward to serving on the board in order to help the MEC continue positive membership relations. It is critical to make sound, educated community decisions first. I have been a resident of Macon County most of my life. This area is my home and I would be honored to bring my talents and service to our MEC board.
